Kimberly,

GMD did submit their SPDES permit application on April 24, 2015. I will update you on our progress and provide a draft prior to noticing. Please send me a copy of the inspection report and order.

Thanks  
Selvin

Hi Selvin,

According to GMD Shipyard's latest submission (see attached) they submitted a SPDES permit application on 4/24/2015 to the NYSDEC. Can you please let me know when you receive this (as it's a requirement of an Order we issued them and I want to be sure they actually followed through). Also, please let me know when the permit gets public noticed (or even prior if you think it would be beneficial) so that I can review the permit using my experience at the facility and

contribute comments however I can. I'd be happy to forward along my inspection report, order etc. if you think it would help NYSDEC with the Permit writing process (I forget if I've already done that).

Thanks!

Kim
